

Driven
by your
mission?
WE ARE TOO!

Why ORAU

ORAU embraces and advances your mission by providing:

Integrated scientific and technical expertise backed by specialized resources

Unique laboratory capabilities

Consortium of 150+ major research universities

What We Offer

- **Workforce Solutions**— Provide scientific and technical staffing support, bringing highly qualified professionals to your organization to fulfill critical project and business requirements
- **Scientific Assessment**— Provide scientific and technical peer reviews and evaluations to inform federal research investments and programs
- **Health & Environment**—Protect worker and public health and instill public confidence in environmental cleanup
- **Preparedness & Response**—Train, exercise and deploy for radiation emergencies, national preparedness and natural disaster response
- **Research & University Partnerships**—Support and advance scientific research in collaboration with more than 150 member institutions in our university consortium
