

EXTREME CLASSROOM MAKEOVER!

Transform Your Classroom with a *\$25,000* Makeover!

Are you an East Tennessee STEM teacher with a passion for inspiring students? ORAU is searching for educators who dream big and want to revolutionize their classrooms with cutting-edge technology.

We believe that equipping classrooms with high-tech tools can ignite curiosity, enhance learning in math and science and motivate the next generation to explore exciting STEM careers.

Since launching the Extreme Classroom Makeover competition 17 years ago, **ORAU has invested more than \$500,000 in new technology for more than 30 local schools.** Now, it's your chance to join this legacy of innovation!

What would **YOU** do with *\$25,000* in new technology for your classroom?

Eligibility Requirements

To qualify, applicants must:

- Teach a STEM subject for grades 3-10
- Work at a public school within 50 miles of Oak Ridge, Tennessee
- Submit a 3-4 minute video showcasing the need for technology and how it will transform your classroom
- Apply by Friday, Jan. 30, 2026
