

**James Brown**  
**Executive Director**  
**STEM Education Coalition**

James Brown is the Executive Director of the STEM Education Coalition. Prior to joining the Coalition, he was Director of Advocacy at the American Chemical Society. A nuclear engineer by training, he previously worked as a Legislative Aide for Rep. Doc Hastings of Washington, was Director of Policy and Development at the Consumer Energy Council of America, and began his career as an engineer with Newport News Shipbuilding, working on aircraft carrier construction. He received a B.S. from the University of New Mexico and an M.S. from Penn State, both in nuclear engineering. He also holds an MBA from George Washington University.
